| <b>Objective of event</b>                         | The primary objective of a parent-teacher-student meeting is to facilitate open communication between parents, teachers, and students, allowing for a collaborative discussion about the student's academic progress, behavior, and overall well-being, with the goal of identifying areas of strength, addressing challenges, and developing strategies to support the student's learning and development. |
| <b>Outcome of event</b>                           | Parents and teachers can work together to set achievable goals for the student, including specific steps to address challenges.                                                                                                                                                                                                                                                                             |
